

A PASSION FOR GETTING THINGS DONE.

WELCOME

A PASSION FOR GETTING THINGS DONE.

Duke Construction is a construction and renovations specialist operating nationally since 2004, with only satisfied clients to our name. Our innovative and fresh approach keeps us at the forefront of the construction industry, our commitment to quality and speed is unmatched, and our professional team is well regarded by all our clients.

Being built on a long-standing, solid foundation of both experience and passion for what we do, you can trust your project is in good hands with us. We pride ourselves not only on our quality workmanship and fast turnaround times, but also on our integrity and our passion for making your project come to life.

Our long history in the industry has also allowed us to build partnerships and negotiate the best rates with only the highest quality suppliers, which means we make use of the highest-grade materials and can do so as close to your budget as possible without ever compromising on quality.

Enjoy our presentation, hopefully it will give you an idea of who we are and what we can do for you. Should you have any questions at all, please don't hesitate to get in touch!

EVERYTHING FROM THE GROUND UP, WE DO IT ALL.

Why not place your project in the hands of a single, trusted team?

From paving to roofing and everything in between – Duke Construction will cover your project completely from the ground up and from the inside out, eliminating the need for dealing with various suppliers and contractors.

Duke Construction is a one-stop shop offering a wide array of services above and beyond construction including **plumbing; electrical; painting; rubble removal; drainage; tiling; and many other services** to generally improve any home, building or facility.

Whether you're paving, roofing, building on, or taking an entire dream project entirely from nascent notion to a solid structure, we're here to make the process as smooth and satisfying as possible.

FINISHED PRODUCT OF THE
UTMOST QUALITY.**

WAREHOUSE FLOOR

320 GALE STREET, DURBAN

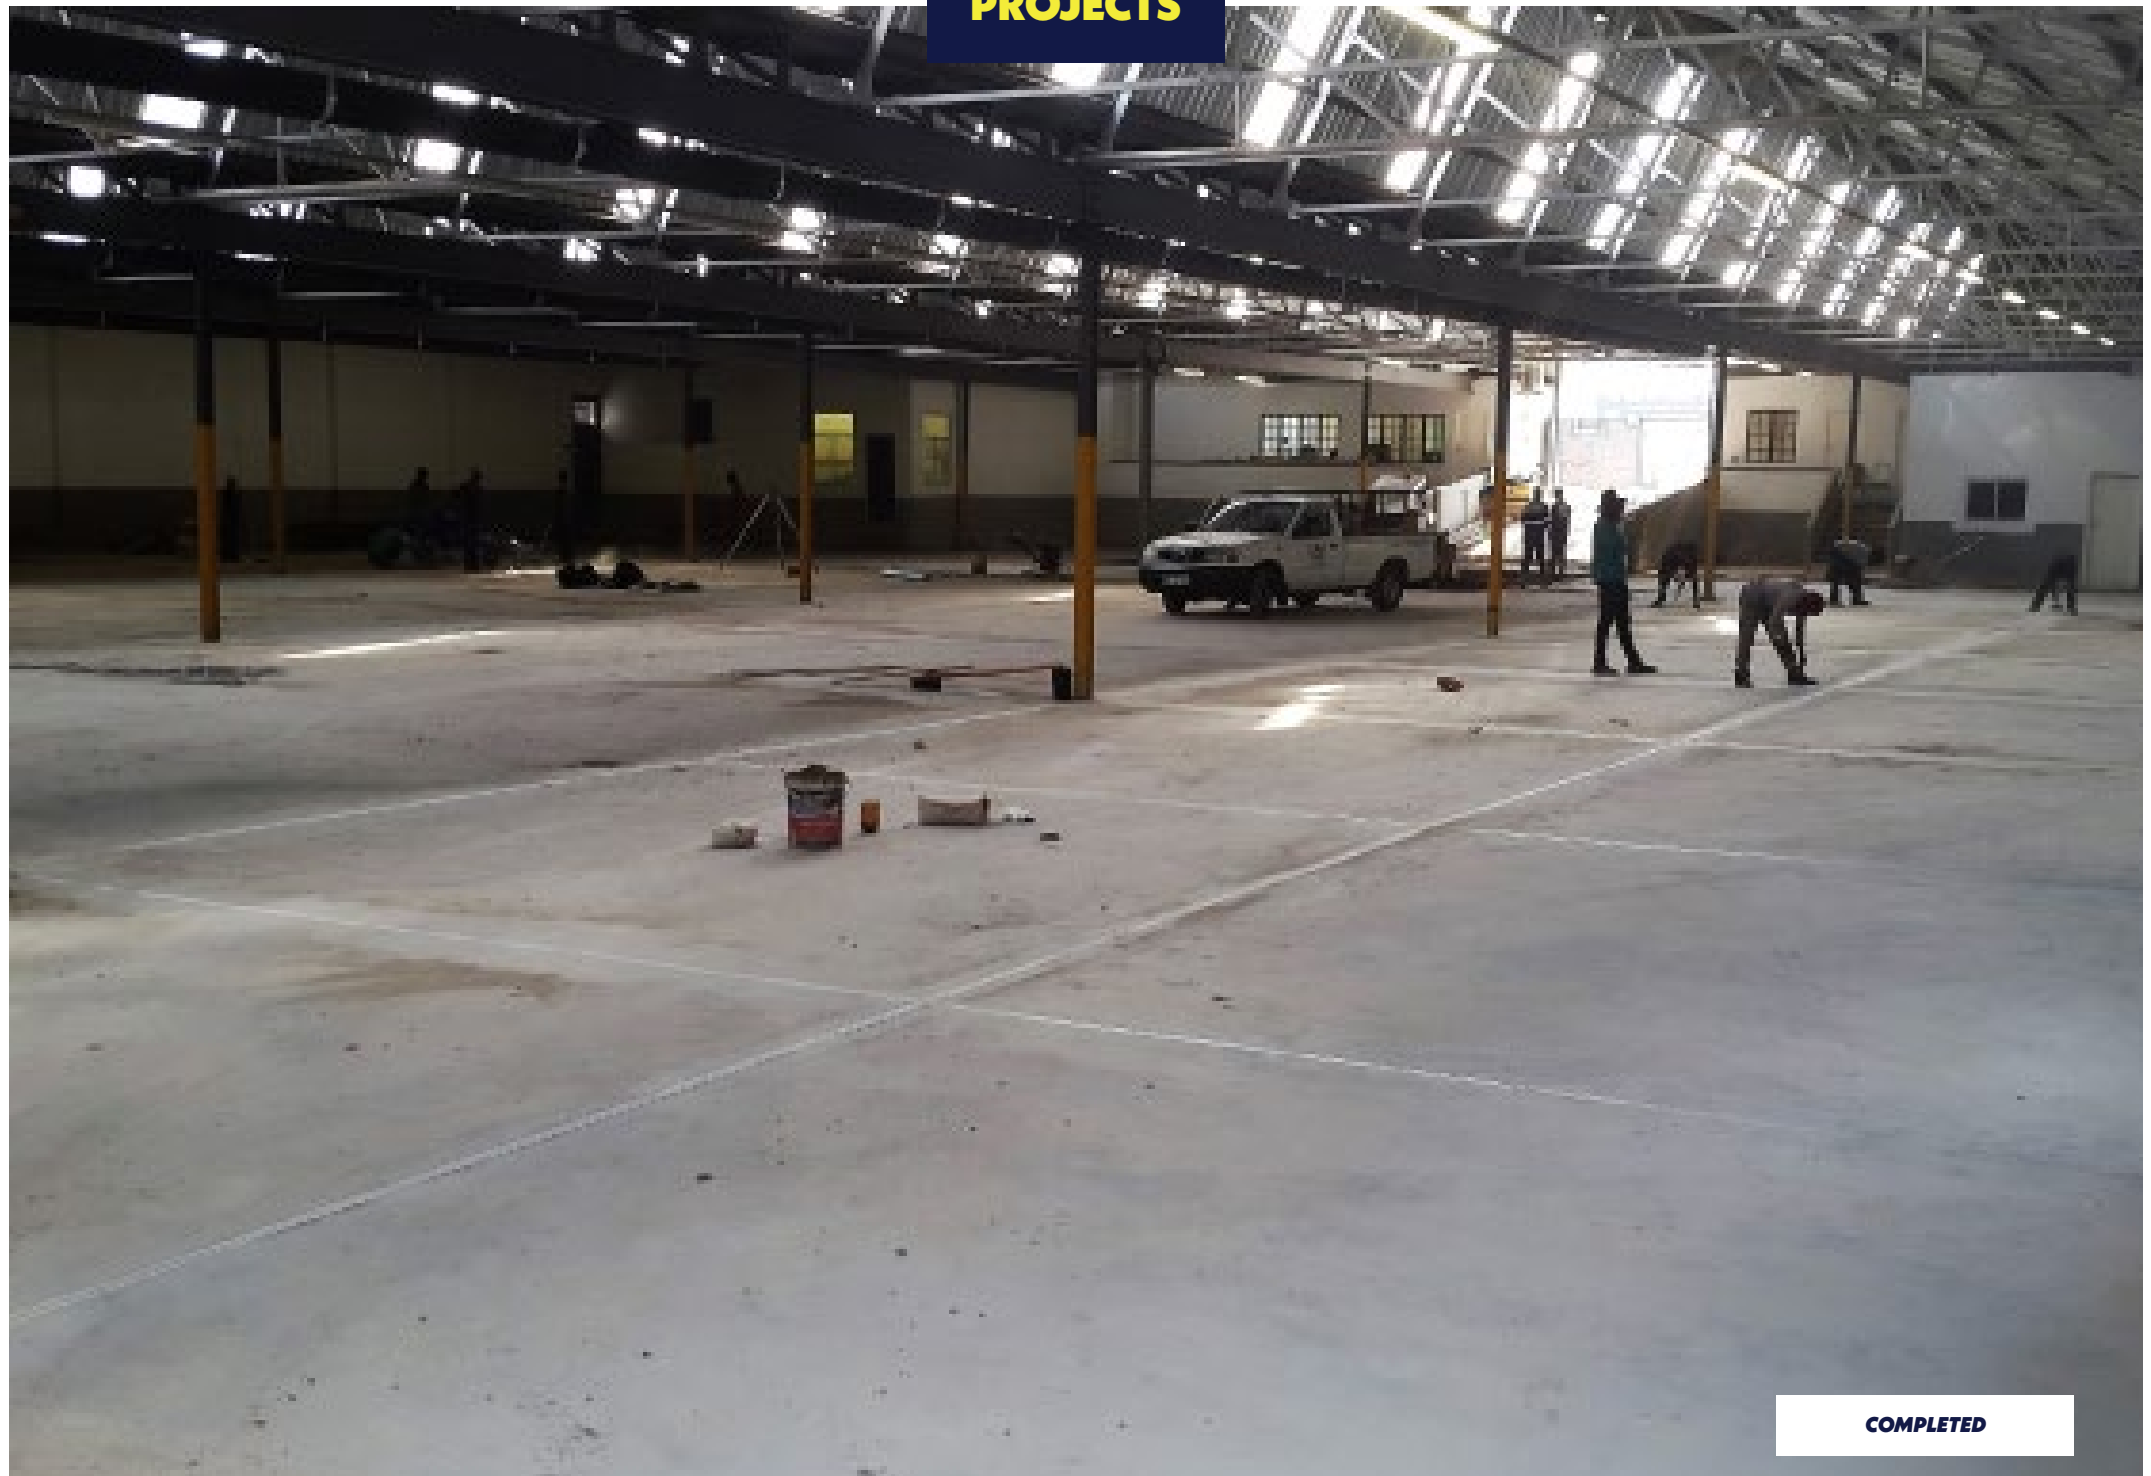

This warehouse floor was unsound and needed to be re-done. We broke up the entire 3 500sqm warehouse floor and removed the rubble to prepare the floor for BRC mesh, concrete and finally floated to a smooth finish.

PROJECTS

MAUSOLEUM JOHANNESBURG

PROJECT DURATION 5 WEEKS

DETAILS FULL CONSTRUCTION.

ESTATE ENTRANCE WALL

QUEENSBURGH, DURBAN

Our team repaired and rebuilt this badly dilapidated wall on the verge of collapse within the space of a week, restoring it to the proud face of the estate that the residents can be proud of for years to come.

FACEBRICK RETAINING WALL

MAIN ROAD, QUEENSBURGH

Our team worked quickly to support and to neaten this Queensburgh property.

FLORIDA FIELDS

295 FLORIDA ROAD, BEREA, DURBAN

We were proud to have been entrusted part of the construction of this exciting new urban regeneration project for a very high profile developer. Our team undertook the decorative paving and much of the structural work you see throughout the park. We used only the finest quality materials and techniques to ensure the work matched the designer's vision perfectly, and well within our extremely tight deadlines. Needless to say, our client was very happy with our service.

THANK YOU

**WE LOOK FORWARD
TO WORKING WITH YOU.**
